DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5-8, 10 and 11 are allowed.

The following is an examiner's statement of reasons for allowance:

- The primary reason for the allowance of claims 1-3, 5-8, 10 and 11 is the inclusion of the limitation of an apparatus and a method of an ink jet print head comprising the ink image is composed of jetted ink that has been exposed to ultraviolet radiation multiple times and a control section which varies exposure intensity of ultraviolet radiation per unit area depending on the number of times that the jetted ink is exposed. It is limitation found in each claims, as it is claimed in the combination, that has not been found, taught, or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
